

Become a Subscriber

Becoming a subscriber is a way of developing a relationship with Northern Rivers Tourism and is mainly directed at tourism business operators. For an annual financial year fee of \$55 (including GST), individuals can now access information direct from Northern Rivers Tourism.

A subscription will ensure you receive regular email bulletins of important news and business opportunities, and will provide you with password protected access to the 'Subscribers' part of the corporate web site, where a number of important documents can be accessed, and where future newsletters will be placed. All documents are in Rich Text Format (rtf) or Portable Document Format (pdf).

Why subscribe?

Northern Rivers Tourism is the conduit of information for many government departments and agencies, most specifically with Tourism NSW. However, we also receive communiqués from the following organisations:

- Australian Business and other business organisations
- State government departments
- Tourism Manager's from local government areas
- Tourism associations across the region
- Tourism associations and organisations throughout Australia

NRT provides a one-stop-shop of information about the Northern Rivers region for any organisation interested in tourism. What we do not do, is act as a Visitor Information Service. Our Visitor Information Centres across the region provide this service to the general public.
